Dear Si

When your vehicle remained at this location, which is private land, our cameras recorded it arriving and leaving at the dates and times stated on the right hand side. Because your vehicle remained at this site longer than the allowed free parking period and we have no record of receiving payment for staying longer than the free period, having checked the vehicle details with Driver and Vehicle Licensing Agency (DVLA), we are writing to you because the registered keeper has named you as the hirer at the time of the event.

In accordance with the Terms and Conditions clearly and prominently displayed and agreed to when your vehicle parked on our Client's property, the payment of the Charge amount is required within 28 days from the date of this Charge. We will accept the reduced sum if payment is received within 14 days.

If you were not the driver at the time of the event please provide the driver's full name and address using the contact details on the reverse of this Notice within 21 days. You should also pass them a copy of this Charge.

By virtue of the Protection of Freedoms Act 2012, Schedule 4, Paragraph 14 (5) (a) any unpaid parking charges (being the parking charges specified in the notice to keeper) may now be recovered from you, as you were the hirer. If, after the period of 21 days, beginning with the day after that on which the notice is given (which is presumed to be the second working day after the Date of Issue) a payment has not been made in full or an appeal or transfer of liability has not been received, under paragraph 14(5)(c) of Schedule 4 of the Protection of Freedoms Act 2012 we will have the right to recover from you so much of the amount which remains unpaid.
