Dear Sir/Madam,

When your vehicle remained at this location, which is private land, our cameras recorded it arriving and leaving at the dates and times stated on the right hand side. Because your vehicle remained at this site longer than the allowed free parking period and we have no record of receiving payment for staying longer than the free period, having checked the vehicle details with Driver and Vehicle Licensing Agency (DVLA), we are writing to you because you were the registered keeper at the time of parking.

In accordance with the Terms and Conditions clearly and prominently displayed and agreed to when your vehicle parked on our Client's property, the payment of the Charge amount is required within 28 days from the date of this Charge. We will accept the reduced sum if payment is received within 14 days.

You are notified under paragraph 9(2)(b) of schedule 4 of the Protection of Freedoms Act 2012 that the driver of the vehicle is required to pay this Parking Charge in full. As we do not know the driver's name or current postal address, if you were not the driver at the time, you should tell us the name and current postal address of the driver and pass this to them. Once this information is received, we will pursue the driver.

You are advised that if, after a period of 28 days beginning with the day after that on which the Charge is given (which is presumed to be the second working day after the Date Issued) the Parking Charge has not been paid in full and we do not know both the name and current address of the driver, we have the right to recover any unpaid part of the Parking Charge from you. This Charge is given to you under Paragraph 9(2)(f) of Schedule 4 of the Protection of Freedoms Act 2012 and is subject to our complying with the applicable conditions under Schedule 4 of that Act.

Should you provide an incorrect address for service, we may pursue you for any Parking Charge amount that remains unpaid. Should you identify someone who denies they were the driver, we may pursue you for any Parking Charge amount that remains unpaid. Failure to pay the full amount within 28 days may result in the proceeding of debt recovery action and/or issuing court proceedings against you. Additional costs may be incurred.

If the vehicle was hired, please provide a signed statement confirming the hirer's name and address and a copy of the hire agreement.

WHAT IS THE APPEAL PROCESS?

If you think there are reasons you should not have received this Parking Charge or it should be sent to someone else, you can appeal within 28 days in the following ways:

Online – <https://nexusplatform.co.uk/pcn> appealing online rather than by post is the best way to ensure that your Charge is put on hold immediately and you will receive instant confirmation; it will also mean we can deal with your appeal more quickly.

Alternatively, you can write to us at GroupNexus Appeals Dept, PO Box 1750, Northampton, NN1 9PN.

You will need to include your Parking Charge reference number (shown at the top of this letter), your registration number and the reasons why you think you should not have to pay the Charge. We will not take any further action until we have replied to your appeal.

We aim to write back to you within 10 working days, but certainly no more than 28 days after your appeal has been received. You need to choose whether to pay or appeal, you should not do both.

If we reject your appeal, we will give you another 14 days to pay at the reduced rate and send you details of the independent appeals service, POPLA. If you decide to appeal through POPLA and your appeal is unsuccessful then you will lose the opportunity to pay this Charge at the reduced rate. POPLA will not accept an appeal if you have not appealed to ourselves in the first instance.
