On the 20 April 2013 vehicle entered the Morrisons Stratford car park at 16:40:20 and departed at 17:31:21 on 20 April 2013.

The signage, which is clearly displayed at the entrance to and throughout the car park, states that this is private land, the car park is managed by ParkingEye Ltd, and parking tariffs apply or a Parking Charge will be incurred, along with other terms and conditions of the car park by which those who park in the car park agree to be bound.

By either not purchasing the appropriate parking time or by remaining at the car park for longer than permitted, in accordance with the terms and conditions set out in the signage, the Parking Charge is now payable to ParkingEye Ltd.

You are notified under paragraph 9(2)(b) of schedule 4 of the Protection of Freedoms Act 2012 that the driver of the motor vehicle is required to pay this parking charge in full. As we do not know the driver's name or current postal address, if you were not the driver at the time, you should tell us the name and current postal address of the driver and pass this notice to them.

You are warned that if, after 29 days from the date given (which is presumed to be the second working day after the Date Issued), the parking charge has not been paid in full and we do not know both the name and current address of the driver, we have the right to recover any unpaid part of the parking charge from you. This warning is given to you under Paragraph 9(2)(f) of Schedule 4 of the Protection of Freedoms Act 2012 and is subject to our complying with the applicable conditions under Schedule 4 of that Act.

Should you provide an incorrect address for service, we will pursue you for any Parking Charge amount that remains unpaid.

Should you identify someone, who denies they were the driver, we will pursue you for any Parking Charge amount that remains unpaid.
